Conference Proceedings

TUESDAY MORNING SESSION

The One Hundred and Forty-first session of the Miami Conference was held at beautiful Camp Miami, Germantown, Ohio. As the congregation assembled, Mrs. Lorin Stine played Bach's beautiful chorale "Sheep May Safely Graze," "Remembrance," and other numbers on the Hammond organ which provided a helpful atmosphere for the communion service

Bishop A. R. Clippinger, D.D., LL.D., called the Miami Conference to order in the name of the Holy Trinity. He called us to worship with the reading of appropriate scripture selections.

The congregation stood to sing the Doxology, following which the bishop led in the invocation.

We sang "O Worship the King." The Rev. W. I. Underwood, D.D., served as Precentor.

The Rev. P. M. Herrick, D.D., read from John 15 and led in prayer.

The congregation sang "Lord, We Come before Thee Now."

Bishop Clippinger announced the subject for the communion sermon as "What Meaneth this Service?" He announced that his text was taken from Exodus 12:26. He spoke of the significance of the Passover to the Jews and the tendency to memorialize great events and persons. The Christians have a memorial of their Lord in the Lord's Supper. This is an ordinance of long and honored practice. It should be carefully prepared and observed in obedience to the Lord's command. This should be a family gathering, it binds together the Brotherhood. The Lord's Supper should lift us above our ordinary existence to renewed and strengthened spiritual and physical life. It should give us a buoyancy of soul. It is a feast of triumph of life over death, a reminder of life eternal.

We were led in the singing of "Jesus Thou Joy of Loving Hearts."

The period of Holy Communion was introduced with Bishop Clippinger reading the words of institution using the ritual in the Book of Discipline. The Rev. W. K. Messmer, Conference Superintendent, offered the prayer of dedication. The elements were distributed to the congregation with Dr. Herrick and the Rev. W. K. Messmer presiding at the table. Dr. E. R. Turner, Revs. C. R. Smith, W. N. Miranda, and Grover Letner served as stewards for the congregation. As the elements were served, the congregation sat in quiet meditation while Mrs. Stine played appropriate hymns. Bishop Clippinger led in a prayer of consecration. We sang "Blest Be The Tie That Binds." The communion service was closed with Mrs. Stine playing "O Lord, Thou Righteous God," by Schreiner.

Superintendent Messmer announced that the altar appointments had been given to Camp Miami by the women of the Northwest District. Other appointments may be given by interested persons.

The Bishop introduced the Memorial Service. We sang "Have Thine Own Way, Lord." The Rev. A. S. Wolfe read a memorial sketch of the life of the Rev. M. W. Mumma. Following this, he spoke words of personal tribute. (See report No. 7) Bishop Clippinger added words of appreciation for the life of the Rev. and Mrs. M. W. Mumma.

The congregation sang "More Love to Thee."

It was announced that the Hammond organ has been furnished to the conference by the Anderson Piano Co. The conference expressed its appreciation for the use of the organ and to Mrs. Stine, the organist.

The secretary called the roll. It was indicated that fifty ministers now serving in the conference had been ordained by Bishop Clippinger. The Revs. A. J. Furstenberger and W. E. Ward were recognized in honor of recent golden wedding anniversaries, Furstenberger's on September 3, at Belmont Church and Ward's at home on September 10.

The secretary read greetings from the Ohio Conference. The conference voted to send greetings to the Ohio Conference. The Rev. Lorin Stine stated that he had attended the St. Joseph Conference last week and brought greetings from this conference. The secretary was instructed to send greetings to Dr. W. T. Frank who is a patient in the Middletown hospital.

The Revs. H. G. Clark, W. I. Uuderwood, C. R. Smith, and J. D. Niswonder requested retired relations. Their requests were referred to the proper committee. The Bishop called these men to the front and presented each of them with one of his famous apples.

Bishop Clippinger read a statement concerning his retirement. (See report No. 24) It was moved, seconded, and properly voted that this statement be printed in the conference minutes. Superintendent Messmer spoke concerning the service on Wednesday night, at which Bishop Clippinger will receive recognition for his services to Miami Conference and the Church. Mr. W. H. Cassel, a layman of the Euclid Ave. Church, spoke words of appreciation concerning the Bishop.

The Bar of the Conference was established to include all pews to the third set of posts.

The program as printed was adopted.

The Rev. W. K. Messmer read the report of the Superintendent. (See report No. 2) The report was approved and the recommendations were referred to the proper committees.

The Rev. W. H. Shillington, D.D., Executive Secretary of the Ohio Council of Churches, and the Revs. Leo Venatta, John Bench, new pastor at Germantown, Paul Sharp, pastor at Oak St., and Guy Smith, pastor at West Elkton, were introduced to the Conference.

Committee meetings were announced by Mr. W. C. Reickert, Revs. Harvey Hahn, E. R. Turner, G. W. Duckwall, P. M. Herrick, E. E. Burtner and Ivan Jenkins.

Dr. W. H. Shillington was called to the platform and spoke briefly concerning the work of the Council of Churches. He said that the Council of Churches is a larger fellowship of Christians on the state level and beyond through the ecumenical movement. It has a spiritual and practical outreach. He spoke of the many interests of the Council and voiced his appreciation for our support. He offered the services of the staff of the Council to our churches and communities.

The Rev. W. N. Miranda made announcement concerning the noon meal.

Following the benediction by Dr. W. N. Roberts, we recessed.

TUESDAY AFTERNOON SESSION

Following the prelude by Mrs. Stine, we sang "Transformed by Grace Divine." Dr. P. M. Herrick served as song leader.

Rev. Robert Ryder read Psalm 103 and led us in prayer.

The Rev. and Mrs. William Coursin sang a duet, "I Have Walked Alone with Jesus."

The Bishop announced that he had received a mysterious package which he opened. It contained a pair of peaches. The Rev. J. L. Armstrong was identified as the mysterious giver.

The Rev. E. H. Hammond read the report of the Conference Statistician (See report No. 25). The report was approved on motion. The Bishop announced that there were now in excess of 132,000 members of the Evangelical United Brethren Church in the state of Ohio.

The report of the Conference Treasurer was read by Mr. W. A. Hohn. The report of the Auditing Committee was read by Mr. W. C. Reickert. (See report No. 5) The report of the auditors was approved. The Conference Treasurer's report was approved (See report No. 3).

The report of the Committee on Nominations Part 1 was read by Dr. Herrick. The report was approved and the ballots ordered printed (See report No. 8).

A report on Otterbein College was read by Dr. E. R. Turner. President J. G. Howard, of Otterbein College, spoke words of appreciation

for the work of representatives from Miami Conference on the Board of Trustees. He introduced Mr. Vance Cribbs, president of the Board of Trustees of the college, and an active layman of the Middletown church. Mr. Cribbs told the conference, "My company seeks to take raw materials and through its production facilities produce the best product possible. This is our aim at Otterbein College too. The best product does not always come from the biggest institutions." He said that we want our students at Otterbein to have Christian attitudes and stated that we have two problems: enrollment and finances. We can help solve both by sending our youth to Otterbein College. Otterbein is **our** college. President Howard announced High School Day on October 14. He stated that there was catalogues and literature available to delegates and interested persons. He spoke of the problems growing out of the War Emergency. The enrollment at Otterbein will be slightly less than 800 this year. Study has revealed that we need about 900 students to operate efficiently. He spoke of the need for more adequate financial support because of the decrease in return from endowment funds and inadequate support for our colleges from the church. He said that not enough of our young people are going to college. The report of Dr. Turner was approved (See report No. 22).

The Rev. R. W. Tinsley read a resolution memorializing the General Conference concerning Otterbein College. The report was approved on motion (See report No. 27).

Dr. A. H. Doescher, Executive Secretary of the Board of Pensions, Professor Lloyd Harmon, of Otterbein College, the Rev. M. O. Herman of the Indiana Conference, who is now serving the Norris Memorial Church, and Dr. J. B. Behney, of Bonebrake Seminary were introduced and voted advisory relations.

Ballots for nominees for lay delegates to the General Conference were distributed. Upon motion properly seconded and voted, the name of Mr. Henry Ochs was added to this list and becomes a part of the lay ballot for election of delegates and alternates to the General Conference. A ballot for the election of lay delegates to the General Conference was taken. The ballot for ministerial delegates was taken.

Dr. A. H. Doescher addressed the conference concerning the Preacher Pension Plan. He stated that the Board of Pensions now has more than $4,000,000.00 in assets. He told of attempts which are being made to equalize pensions. These plans will be presented to the General Conference in November. He stated that the Board will recommend to the General Conference that the contribution by the local Church be increased from 3 to 6%. He stated that pension is Christianity in action. We should work as well as preach the Gospel. We believe that pensions will help to make better preachers.

Bishop Clippinger called attention to a recently published edition of "Life of Our Bishops." Copies of this two-volume set were sold.

Announcements of committee meetings were made by the Revs. P. O. Deever and R. D. Miller. The Rev. L. G. Ludwig made an announcement concerning the Mutual Benefit Society.

The Revs. G. D. Letner and E. R. Turner were excused to conduct funerals. Dr. L. M. Hohn was excused to perform his duties as Superintendent of the Otterbein Home. We were recessed on motion. The benediction was pronounced by the Rev. E. H. Dailey.

TUESDAY EVENING SESSION

Mr. Robert Eschelman played "Arioso" as an organ prelude. The Rev. G. D. Letner, ministerial leader of the Northwest District, served as the presiding officer.

We sang "O Master Let Me Walk with Thee."

Reverend Letner read from John 11 and reminded us of the call of the Master to give the best we have in every opportunity and to render service and glorify His Name. He also led in prayer.

The choir from the Antioch church, under the direction of the Rev.

Milford Ater, sang an arrangement of "The King of Love My Shepherd Is." Mrs. Dorotha Rhoades accompanied the choir.

An offering for conference expense was lifted. Mr. Eschelman played "Wiegenlied" as an offertory.

The Antioch choir sang an arrangement of "Onward Christian Soldiers" and "The Battle Hymn of the Republic."

Professor Roy Miller, chairman of the conference committee on Christian Social Relations, presided at a panel discussion on the subject "The Social Issues Confronting the Church as it Relates to War and Peace." Other members of the panel were: Howard James, J. P. Hendrix, Paul Fox, E. E. Burtner and Paul Herrick. The panel presented the audience an enlightening discussion of the moral and political problems facing our nation, especially as they relate to the Orient and the Far East. The panel made three suggestions concerning action the Church might take in this situation:

1. Strengthen our Missionary program; 2. Realize that a Christian social order begins with Christian individuals; 3. Realize our need for Christian sharing of our physical resources.

Professor Miller pronounced the benediction.

Mr. Eschelman played "Triumphal March" for the postlude.

WEDNESDAY MORNING SESSION

Mrs. Stine played the organ prelude. The Rev. Lorin Stine led us in a very helpful worship service, during which Mr. Herbert Mitchell sang to the delight of the conference.

The secretary read the journal for Tuesday, corrections were noted, and the journal was approved.

Bishop Clippinger read a letter from the Rev. J. B. Henry.

The report of the Board of Missions was read by the Rev. Harvey Clark. The report was approved. (See report No. 15) Reverend Clark read the report of the Conference Trustees. The report was approved. (See report No. 16) Rev. J. P. Hendrix gave a verbal report of the new church which has been established at Fletcher, Ohio. He said that there were 203 members representing 12 denominations. This church was formerly a federated church. It has assets of $12,000.00 cash, a church building formerly belonging to the Baptist denomination, a site for a new building, and a parsonage. A building program is now in progress. Mrs. John Gustin, delegate from Fletcher, was introduced and spoke of the satisfaction of the people of the Fletcher church in being a part of the Evangelical United Brethren Church. The conference extended an informal welcome to Fletcher church.

The secretary read the minutes of the Council of Administration. The report was approved (See report No. 3A).

The Rev. B. H. Cain, D.D., secretary of the Department of Town and Country Life; the Rev. Glen O'Dell, pastor at Brookside, Indianapolis, Indiana, Mrs. O'Dell, and Mrs. Fred L. Dennis were presented to the conference. They were voted advisory relations.

He said that this would be an important year in the life of the Seminary because a de-

cision on the pattern of theological education in our church will be reached this year. He indicated that 50% of the goal in the current Seminary campaign has been reached. The Miami Conference has attained 85% of its goal. He told of literature available for Seminary Day. He spoke of the growing sense of oneness in the E.U.B. He said that one-half of this budget comes from the W.S.W.S., one-fourth from the benevolence budget and one-fourth from special gifts. The mission work of the church costs one-half cent per member per day and the work in foreign land costs one-fourth cent per member per day. Superintendent W. K. Messmer, our presiding officer, announced that we were devoting this evening to pay tribute to the life and ministry of Bishop A. R. Clippinger. He presented Dean W. E. Roush, of Bonebrake Seminary, who read a sketch of the bishop's life. We were told how he became a Sunday school teacher at sixteen, a public school teacher and superintendent of the Sunday school at eighteen and described incidents during college and Seminary days. His work in the ministry was described. The Bishop was characterized as an administrator, a leader of men, a builder of churches, and an administrator with few equals.

Dr. W. I. Underwood gave a tribute to Bishop Clippinger from the viewpoint of pastor who has been associated with the bishop for forty years in the Miami Conference. He spoke his appreciation of the bishop as a man and as a churchman. He was loyal to the church and commented upon his fairness in dealings with those who were under his jurisdiction.

The Superintendent presented the family of Bishop Clippinger, Mrs. Clippinger, Dr. and Mrs. Conrad Clippinger and their children, Dr. John Clippinger, and Mr. and Mrs. Malcom Clippinger.

The Superintendent, in the name of the conference, presented the bishop with a purse of more than six hundred dollars. He stated that this purse had been made possible through the gifts of affection and love of the churches of the conference. He also presented the bishop with a book containing the autographs of the persons who had attended the conference today.

The bishop said, "I have lived a long while, but I never felt so humble in my life." He said that forty years ago today he had arrived in Dayton to assume his pastorate at the old Summit St. church. He told us of incidents in which he was convinced that God's spirit had led him. He told in an extremely personal vein of the ties of friendship formed during the years. He said "The Church has done more for me than I could ever do for the Church." He told of gifts he had received from other conferences and said that he had always wanted to go to Alaska, but had no time, no luggage, no money and now, through the gifts of the conferences of Ohio, he would have the time, the luggage, and the money.

The Fairview choir sang a Fred Waring arrangement of "Open the Gates of the Temple."

Bishop George Epp, D.D., bishop of the Central Area (Ev.) was introduced and spoke words of personal appreciation of Bishop Clippinger. He characterized him as fearless in defense of the Truth, a man of vision, a friend of ministers, a colleague of distinction, and a man of deep consecration. Bishop Epp said that he would like to speak upon the subject "The World's Challenge, and the Church's Answer," but that he would speak upon only the latter part of this subject because of the lateness of the hour. He told us that the church has the remedy to the world's needs. This remedy can be given in the use of five words: 1. A person—Christ as Saviour and Lord; 2. A book—The Bible, the revelation of what God is and what man, through Him, may become; 3. A program—the church is an instrument, an agent of God; 4. A dynamic—the Holy Spirit, who is power; 5. Men—In the generic sense, persons who cannot live apart from Christ, spirit-filled men, who will take up their cross and follow Him.

We sang the hymn "A Charge to Keep I have."

The Rev. H. G. Clark pronounced the benediction.
Mr. Robert Eschelman played the organ postlude.

He reported that there are 117 aged people, 22 high school students, 80 grade school children, and 10 pre-school children at the Otterbein Home. He said that the nursing staff gave more than eleven thousand hospital days service to the aged residents last year and more than five hundred hospital days to boys and girls. He told of the recreational activities for persons of the Home now possible in the gymnasium and shuffle board courts. He told of the remodeling and renovating program. He said that the Home used 21 carloads of coal last year, that three hogs and one beef are butchered each week and that it costs $751.53 per day to operate the Home. He spoke concerning the farm and of the spiritual program for the residents and asked for our generous support at Christmas. Both superintendent Messmer and Bishop Clippinger spoke of the needs of the Home.

The tellers reported on the second ballot in the election of alternate delegates to the General Conference. Three ministers and two laymen were elected on this ballot. There was a tie for first and second choices in the ministerial ballot. The conference voted that this tie should be broken by the Board of Tellers choosing by lot the candidate to be designated as first alternate. (See report No. 8c)

The conference superintendent presented the plan and basis for reorganization of the conferences of Ohio. After some discussion, a roll call vote resulted in unanimous approval of this plan and basis of union.

The Rev. J. W. Krecker, D.D., editor of the Telescope-Messenger, spoke concerning our Publishing Interests. He presented the conference with two checks from the Publishing House and the U. B. Building Real Estate Foundation, which total $3,116.75. This is to be used for ministerial retirement relief in our conference. He stated that the purpose of the Publishing Houses is to publish literature for the church. If our church literature is what it ought to be, it will serve as a unifying agency in the church. Our churches, Sunday schools, and homes should use Evangelical United Brethren literature. He urged subscriptions to the Telescope-Messenger.

Bishop A. R. Clippinger spoke to the conference using as his subject, "Paul's Courage and Conviction." He used Romans 1:16 as his text. He pointed out that it cost Paul a great deal to say, "I am not ashamed of the Gospel." Christians were not popular and Paul pioneered in that which was unpopular. He noted some interesting con-

trasts between the life of our Lord and that of Paul. Paul was always conscious of the presence of Christ. He urged us to be able to join Paul in his statement of loyalty and devotion.

The bishop stated that Paul's courage was not fool-hardiness, nor love for adventure nor a desire for fame but it was love of God, God's message and his fellowmen. Paul's conviction came because he believed his message which was rooted in the truth of God. He had experienced its power. Ministers often fail because they lack a similar conviction and because they do not preach "The Word."

The Lagonda choir sang, "One World."

Bishop Clippinger read the report of the stationing committee. (See report No. 1)

The one hundred forty-first session of the Miami Conference was brought to a close with a benediction by Bishop A. R. Clippinger.

This was a very unusual conference due to the fact that Bishop Clippinger was presiding for the last time in his active administration. Many of the ministers of the conference have served under no other bishop. More than fifty were ordained by him. For thirty years he served the conference with dignity, grace and capability. The churches of the conference bestowed upon him the evidences of their affection. He will always be remembered by those of us who have served under him as a man of good judgment, of fairness and possessed of a true democratic spirit. We all wish him well.

This conference closed the first year of the administration of our superintendent. It was a good year. There was a feeling of optimism concerning the future and a belief that our superintendent will challenge us to better things in the future. This conference was characterized by good reports which reflected significant gains. One of these gains was the coming of the Fletcher Church into our fellowship. The whole conference joined in extending a cordial and hearty welcome.

A word should also be said about elections. Delegates to General Conference were selected. This was accomplished with a minimum of friction and in the customary good spirit of all such occasions in the conference.

Report No. 2

REPORT OF THE CONFERENCE SUPERINTENDENT

To our esteemed Bishop Clippinger, brother ministers, delegates and friends of the 141st session of the Miami Annual Conference: I come to this moment of my first report with a sense of humility and deep gratitude.

First, I am grateful for the constancy of God's love and care, a fact of which I am increasingly aware. His care of myself and family continually feeds our faith. Of this I am very sure, that the opportunity to serve my Christ in this particular position is worthy of my best endeavor. No one is more aware of my limitations of wisdom and judgment than am I. I must express my appreciation to my brethren in the ministry and the laity for your patience, forbearance and confidence. I am sure that experience as well as God's increasing grace will enable me to serve the cause more effectively during the coming year than I have been able to do in the past year.

Too much cannot be said of how courteously and graciously I have been received in the churches in the conference. I have been in every church in the conference with the exception of two churches on our only four point charge. These churches I had previously visited as district leader.

May I here express my appreciation to Bishop Clippinger with whom I have frequently counselled over telephone and in person. And for the reassuring fact that though I am a freshman in this executive responsibility, he has given me ample freedom to develop my own program in my own way. This kindness will ever find me in debt to him.

It is my prayer that when the year ends and Bishop Clippinger lays aside his duties which he has so ably performed through the years, he

will be blessed with good health. We promise we will not let him retire in every way—we will keep him as busy as he will choose to be. May God grant to him and Mrs. Clippinger long life and satisfying retirement—and good fishing!

In Memoriam

We had but one death during the year—Rev. M. W. Mumma. He died at our home on August 2, 1950, after a long illness. Appropriate tribute has been paid to him by his pastor.

Our Ministry

Immediately after the last conference session, the Rev. W. R. Fausey was appointed to the Hamilton Ninth Street Church. The Rev. N. L. Linebaugh resigned the Piqua church to accept an appointment in the East Penn. Conference. The Rev. J. L. Armstrong resigned the Verona church to accept the Piqua church and the Rev. J. C. Herbert was appointed to the Verona church.

After completing his Seminary course in the spring, the Rev. Gale Barkalow resigned the Springboro-Oregonia circuit. The Rev. Aloyis Holst was appointed to succeed him. The Rev. Donald Hines resigned the Pyrmont church. The Rev. James Duvall was appointed to replace him. The Rev. J. P. Hendrix resigned the Germantown church in April to become pastor of our new congregation at Fletcher. Dr. O. O. Arnold served as interim pastor until recently when the Rev. John Bench was appointed to that pastorate.

The Rev. Harold Harris resigned the Norris Memorial church on June 1st and the Rev. M. O. Herman was appointed in his place. The Rev. Walter Millet resigned the Castine-Weaver Station charge and the Rev. Philip Diehl was appointed. The Rev. J. D. Niswonder resigned the Pleasant Ridge-Jacksonburg circuit to live in Otterbein Home. In his stead the Rev. Lloyd Davis was appointed.

In spite of numerous and serious illnesses and many resignations, the ministers have given faithful leadership to the churches. All of us as ministers are not without many faults, but I am confident that no more sincere and capable group of churchmen can be found anywhere.

Now and again we discover a layman who gives no evidence of comprehension either of the breadth of responsibility of a Christian minister or that the best possible minister is sometimes seriously handicapped by the disloyalty of his laymen. Laymen like this are not the rule; but the exceptions give me great concern. Someone has said ,"An active pastor writes as many pages as an author, delivers as many sermons and addresses as the professional lecturer; he makes as many calls as a physician or salesman, he serves on as many committees and boards as the average business executive, and in addition he must study, read, be available for counsel and advice and alas, many times he must be the handy man for all the church organizations." The average minister may have his leadership greatly multiplied by faithful laymen.

With many conferences of the church being held in the spring and summer, it makes a difficult problem of adjustment when students graduate from the Seminary and return to their conferences. This they should do and we make no effort to retain them for the remainder of the year. It does, however, increase our problem of leadership when such is the case.

It is with considerable regret that we see some of our older brothers in the ministry lay aside their duties and ask the conference to grant them retirement. Every one of these men have been worthy of the calling of the ministry and have earned the plaudits of us all. It is with great reluctance that we accede to the passing years. These men will ask to be retired: the Rev. H. G. Clark, the Rev. John D. Niswonder, the Rev. C. R. Smith and the Rev. W. I. Underwood. These along with Bishop Clippinger constitute the largest number of retirements in a single year in my memory of the conference.

The salaries being paid our ministers are showing improvement. This past year in the first round of Quarterlies 46 of the 84 charges increased their minister's salary. Certainly many men ought to receive increases this year. A minister invests many dollars in his work. Churches are showing that they are aware of this and are making provision for it in expense allowances.

For many years we have been aware of the fact that our churches have not raised up young men to the ministry in sufficient numbers to supply our pulpits. There is some evidence that this can change. We now have 34 young men who have indicated their desire to prepare for the Christian ministry. We are determined to help these young men through the vicissitudes of preparation and make them a part of our leadership resources.

There are six being recommended for Probationers license. They are Paul Chastain of Drexel, Eugene Griffith of High Street, Harold Messmer of Newport, Carl Hahn of Batavia, William Hensley of Drexel and Carl Vorpe of Rosewood.

A word of commendation is here extended to the Board of Ministerial Training which gave generously of its time for counselling and guidance to our young ministerial prospects. They will report their work to the conference.

We also welcome into our fellowship several men coming by transfer—John Bench from the Ohio Conference, Robert Foreman from St. Joseph's Conference, Paul Sharp from the Southeast Ohio Conference and Guy E. Smith from West Virginia Conference. These brethren have their credentials before the committee on Conference Relations.

Evangelism

In connection with the United Evangelistic Advance, our Conference Commission of Evangelism planned a thorough-going program of evangelism. At the Evangelism Institute in February, specific goals were given to each church. This represented 8½% of the membership: the objective of 2500 new members. I am pleased to announce that the goal has been reached. We have received 2,514 new members. Of these, 1,550 were by confession of faith. We are sorry there were six churches receiving no new members during the year. I am sure that the pastors of these churches are sufficiently disappointed in that record to make unnecessary a roll call of these six churches. We are sorry it is so and hope that next year we may remove all such disappointments from the record.

As I travel up and down the valley and see how strategically located we are in the cities, town and country, I believe we are confronted with such opportunity to win men and women, boys and girls, to Christ, that even winning 2500 is a modest achievement. The need is great, the opportunities are great, certainly our gospel is sufficient unto all these things. We cannot set a lesser goal for ourselves and be true to our Commission. Let us approach our community with the persuasive claims of Christ.

Our net gain in membership is 940. I can see no justifiable reason why we should not have 40,000 members in our conference by 1960. The fields are white unto the harvest.

Our Commission on Evangelism will present some worthy objective for next year.

Fletcher

At the Annual Session one year ago, a small group of representatives came from the Fletcher Federated Church to seek affiliation with our denomination. After conference I assumed responsibility for supplying the pulpit, which was done with the generous help of general officers and Seminary professors. We carefully worked out the problems incident to this development. In April, Dr. J. P. Hendrix assumed the pastorate and the complete organization to the new church has been effected, and a new building program is now in prog-

ress. I will leave the details to Doctor Hendrix who will render an oral report to the conference. Suffice it to say, the Fletcher church will fulfill our fondest hopes. It is now and will increasingly become a church worthy of notice.

The Fletcher church is recommended to the Committee on Boundaries.

Property

Not for many years has there been so much building in process or contemplated as now. New parsonages have been finished and dedicated during the year at Pyrmont, New Hope and Wagner Chapel. A parsonage was reestablished in the Bevis-Dunlap Community and lately the West Elkton parsonage has been reopened to serve as a parsonage as has also the Springboro parsonage. These churches are to be commended for this forward step.

The following enlarged church plants have been finished and dedicated: Xenia enlarged and remodeled its sanctuary. It was dedicated last October 2. Liberty dedicated a $50,000 addition to their church on May 7. Castine also dedicated its remodeled church on May 7. Union Chapel and Rockdale have added Sunday school facilities. Southern Hills purchased and remodeled a new parish house. This was dedicated November 20. The following churches are in various stages of completion and will be dedicated in the near future: Bowlusville—$35,000 completely remodeled church; Sulphur Grove—a $48,000 program of enlargement; Hamilton First—$125,000 new sanctuary; Springboro—a $15,000 first step in providing additional Sunday school space; Bevis is nearing completion on an extensive remodeling program. Antioch has completely covered its church with a stone-like veneer. It is very attractive and will protect the property. Germantown is also near completion on a remodeling program of considerable size.

Many churches are contemplating immediate procedures in building program or have already started: Fletcher, Clayton, Vandalia, Dayton First, Belmont, Mt. Airy, Ft. McKinley, Lewisburg, Miamisburg, Mt. Healthy, New Hope (Lockington) and Harrison. Several churches have extended property lines for future development, notably Cheviot and Fairview.

New organs were dedicated at Drexel, Residence Park, Hamilton First and Middletown.

We are contemplating several possible new missions and I hope we can before very long establish another new church.

The Cincinnati Second church property was sold and the Board of Missions is recommending the disbursing of some of these funds immediately to churches in building programs. I believe there is exceedingly good business judgment in all the Building Programs, and I do not believe any unreasonably large debts will result. A word of commendation is due the Board of Missions for its careful work.

Conference Agencies

The agencies, boards and commissions of our conference are vital to our progress. These organizations will bring reports of their activities during the course of our session.

The Board of Christian Education promotes a program of varied activity, particularly here at Camp Miami. The Board is anxious to serve the needs of our conference and is constantly searching for new services and programs which will strengthen the work of our local churches. The largest and most important phase of the work of Camp Miami is in enriching the life of boys and girls, men and women—the development of Christian personality. The most disturbing fact is that so many churches do not avail themselves of the camping program. The General Director, the Rev. Ralph Tinsley, will bring a full report.

In the next quadrennium I believe we will need to think of the needs of Camp Miami and increase the resources of the Board for expansion and development of the facilities and program.

The Women's Society of World Service under the able presidency of Mrs. Elmer Werner is carrying forward an aggressive program. The women have set the pace for attendance at conference functions for years. We hope they will continue to challenge us to larger endeavor.

The opportunities of Conference Brotherhood work are not fully met. We must strengthen this phase of our program. I believe in the Brotherhood. I believe every church ought to have a Brotherhood. Nothing in my judgment offers so much challenge in terms of unused potential than the men of our churches.

Other Boards, committees and commissions deserve commendation. They will report their work.

The Institutions

Many of you have no doubt visited the new Otterbein Book Store on the corner of Fifth and Perry Streets. You will be pleased and proud of it. Its purpose, of course, is to serve you and the churches. A worthy goal of every church would be to enlarge its use of our own denominational literature. Observe Good Literature Sunday, November 5. Promote the church literature. The Miami Messenger subscription campaign should also be included in the observance of this day.

The entire church is indebted to Bonebrake Seminary. Miami Conference in particular is indebted. Many of our churches (last year 25) have been served by the students for years with great satisfaction. The life of the Seminary is entwined with our conference life. We are proud of the Seminary. We are pleased that it is in prospect—if the General Conference approves—that the Seminary of the entire Church will be located in Dayton.

We have achieved a good record in the Seminary campaign. After pursuing one of our sister conferences for a long time, we finally have taken the lead. I am determined to conclude this campaign in the lead. To make this possible, we will depend on the churches to make payments in full on their quotas by December 31, 1950.

Otterbein College, another great institution, is close to our hearts. Through its long and useful history our conference has been aware of the needs and problems of our college. No one of us who has attended the college as a student or served on its Board of Trustees, is unaware of the difficult problems in guidance of young people into a life of Christian leadership. We are confident that Christian leadership is being developed in our college.

We plead for increasing support for our college from every local church. The continual need is to have students from our churches. The college is a part of our family and as such should be able to count on our young people coming to its halls. Also, the college needs our financial support. A recommendation will be presented to this annual session that we undertake some special support for the college. I am sure we cannot turn aside the appeal.

Among the institutions that deserve and elicit our support—the Otterbein Home while mentioned last in this list of institutions is by no means least in our affections. Although we have always been interested, we are even more interested because our former leader is its superintendent.

Last year we increased our offering over the previous year as the treasurer's report will show. We are still too far away from the $1.00 per member goal to rest on our laurels. **We must reach this goal.** It is done by individual churches meeting their goal. Your church's goal is your business.

The Reorganization of the Ohio Conferences

During our conference session the proposals of the Reorganization of the Ohio Conferences will be presented for vote. We are the last conference to vote on the proposals. Ample time will be given for their discussion later in our program.

May I bring a few statistics of my personal activity during the year.

Statistics cannot measure all the work that was done. I have had many conferences with individuals and groups. I have made myself available for any and all needs. I feel that I have a particular responsibility to counsel the young student ministers. I hope next year to give more time to this important phase of my work.

I have traveled 36,000 miles during the past year. I feel that 90% of this mileage was in the interest of conference business. I have conducted 177 regular Quarterly and 12 special Quarterly conferences. These special Quarterlies were primarily in the interest of building programs. I have delivered 72 sermons and addresses, attended 53 committee meetings, and met with 17 different district meetings. With all the work it has been a joy to serve.

RECOMMENDATIONS

That the theme for the year be "Forward Together with Christ in Worship" and the study booklet entitled "Christian Worship" be widely circulated and used.

That we observe World Communion Sunday on October 1 and that a generous offering be received for the General Church and the Annual Conference Program.

It is my conviction that the minimum salary for full time service be $2,600.00 and that the several churches below this figure be urged to reach this goal.

That we plan to reach our goal of $1.00 per member for Otterbein Home and that a committee be appointed to assist in the promotion of this goal, and that the Otterbein Home offering be promoted in the Fall Institutes.

That we give our whole-hearted support to the objectives to be presented by the Commission on Evangelism.

That probationers regularly serving churches be permitted to administer the sacraments.

That the Committees named for this session of the annual conference be the Committees for the ensuing year.

That churches and charges make a determined effort to organize Brotherhoods and cooperate with the conference Brotherhood officers.

That the churches make an effort to join in the every member enlistment which will be promoted through the National Advertising Agency.

That since the film "Second Chance" is to be made available to our churches, that every church make arrangements to show the film. The schedule of dates will be made in the Institutes.

That our churches make a diligent effort to pay the Seminary Quota in full by December 31, 1950.

That our churches be urged to support Otterbein College with encouragement to prospective students and to respond to such financial appeals as will be made. We urge every pastor to visit Otterbein College and take some prospective students.

REPORT OF THE HISTORICAL COMMITTEE

Your Historical Committee has been trying during the year to gather historical data from each local church. Some pastors have responded

and others have not. Many churches seem not to have any written record of their history and some show no interest in recording such.

A year ago this conference adopted four recommendations for action relative to conference history. Two of these called for some initial steps to be taken by the conference toward producing a written history of the conference. So far as the committee knows nothing has been done.

The conference committee on history plans to continue its efforts to collect material and seeks the cooperation of all churches and pastors.

REPORT OF COMMITTEE ON MEMOIRS

Marion Wilson Mumma was born near Sidney, Shelby County, Ohio, June 16, 1879. Two years later his parents moved to Montgomery County, near Dayton, Ohio. He began his education in a rural school in the vicinity of the Fairview Evangelical United Brethren Church, which was then open country.

Marion graduated from Steele High School in 1897, and from the Ohio State University, with the degree of Bachelor of Science in 1901. In the autumn of 1901 he accepted a position as teacher of a school on the outskirts of Columbus, and taught until January, 1902, when he became assistant teacher of Chemistry, at Ohio State, taking Post Graduate work at the same time and received his Master of Arts Degree in 1904.

In 1903 he was married to Miss C. Fostoria Macklin, daughter of Rev. and Mrs. G. P. Macklin. Brother Mumma had prepared himself for the profession of teaching. He and his young bride both being Student Volunteers, were appointed by the woman's Board of Foreign Missions, to a newly opened field in the Philippine Islands to do educational work. However, soon after his appointment, he discovered that the Public School system, established by the United States, was far superior to anything the New Mission could do. So it was thought unnecessary for the Mission to carry on adedemic educational work.

Marion then sought to be released from his appointment, but the Woman's Board persuaded him to carry on as a full fledged missionary. This was a little embarrassing to Brother Mumma, for he was not a minister but an educator. But while he was hesitating and praying for light, the Woman's Board was working. By special arrangements, this embryo minister was granted Quarterly Conference and Annual Conference License to preach, and was recommended for Elder's Orders and forwith ordained. He and Mrs. Mumma sailed for the Philippines on October 4, 1904.

Here the Mummas labored for ten years, traveling, preaching, teaching and making new converts for Christ and the Church. He baptized some of the earliest converts in the Evangelical faith, many of whom became prominent in both Church and State. He also helped to establish, and became the first editor, of a paper in the native dialect. This paper is still being published, enriching thousands of lives in Philippine homes. He also had much to do in translating the scriptures into the Ilocono dialect.

After ten years of service, he returned to the Home Land. Feeling the need of further preparation for his chosen life work, he entered Bonebrake Theological Seminary and graduated with the Degree of Bachelor of Divinity in 1917. He with Mrs. Mumma served the following charges in Miami Conference; Wagner Chapel, Antioch—Pyrmont, Rosewood, Lewisburg, Philipsburg, and Newport, Ky. It was during these years that their five children; Charles, Robert, Harry,

Mary and Ruth, came to maturity. All of them graduated from college and all do well in their chosen profession.

While yet pastor at Newport in 1934, the second call came from the Foreign field. He was called to the pastorate of the Philippine United Church of Honolulu. Here he served with distinction for twelve years, after which he again turned his face toward his native land in 1946.

The remaining years of his earthly pilgrimage, he lived in retirement, mostly with his children. Six months of this time he lived in Lewisburg until after the home-going of Mrs. Mumma.

A Personal Tribute

Brother Mumma and the writer first met while students in Bonebrake Seminary. Others of my brethren may have known Marion longer, but perhaps not more intimately. On one occasion when the storm clouds were hanging, Brother Mumma came of his own accord and the clouds lifted, and the sunshine of His presence again illuminated our spiritual horizon. There was nothing spectacular about Marion. He got there by sheer pluck and stick-to-a-tive-ness. He was an untiring worker. He was possessed of analytical mind, and was a thorough student.

While he accomplished much, his outstanding achievement was not in his scholastic attainments, nor yet was it revealed in the statistical charts of the churches he served: although he served faithfully and with a deep devotion to Christ and the Church. His outstanding accomplishment was not in anything he did; but rather in what he became under God.

His conversion was nothing striking or phenomenal. His surrender to Christ was largely through a sense of duty. He would say to himself "this is right," therefore I ought to do this. This sense of oughtness became a passion with Brother Mumma, so that, it largely dominated the earlier years of his Christian life. In the rearing of his family, too, he was guided by this same philosophy. Often when his children protested, and asked a reason for his command, he would almost invariably answer, "Because this is right." That ended it.

Brother Mumma came gradually to believe in a "Progressive Revelation of God." This belief brought about an unfolding, growing religious experience. As the years passed by he became more compassionate and more understanding of the attitudes and conduct of his family and his parishioners. His religious life became a growing experience in the "Progressive Revelation of God's grace, plans and purposes," until he became a kind considerate, loving personality, mediating the "goodness of God" wherever he went.

The so-called Oxford Movement also made a marked contribution to his fine Christian personality. Brother Mumma was not so sure that this was a new movement. He rather thought that it was a realistic application of the beliefs and practices of the early church. Believing that, he diligently applied himself to the practice of some of its teachings with great profit to himself and the churches he served. Thus closes the earthly life of a great soul, whose memory will long be cherished among those who were fortunate enough to have known him intimately.

A. S. WOLFE

To the 141st Annual Session of the Miami Conference of The Evangelical United Brethren Church:

Whereas, the Almighty God in his abundant mercy has granted unto us the tokens of His love and favor in this another Annual Conference, be it resolved that:

We wish to commend Rev. Walter Miranda for his efficient supervision of meals and other things which have contributed to the comfort and convenience of our conference. We express our thanks to the ladies of the different churches who served the meals, and; those who remained on the grounds through the conference, express thanks for their comfortable lodging.

That we express our hearty appreciation for the most congenial manner in which our beloved Bishop Clippinger presided over this, his thirtieth and last official meeting of the Miami Conference.

We further express our thanks to our conference superintendent, Rev. W. K. Messmer, for his excellent work done and fellowship among the ministry during his first year of his superintendency over Miami Conference.

We express our thanks for the many years of valuable service rendered by the several elders who are retiring and tender our regrets that such retirement time has actually arrived for them, viz.: C. R. Smith, J. D. Niswonder, Harvey Clark, W. I. Underwood; and Bishop A. R. Clippinger.

We express our appreciation to the Anderson Piano Company for the loan of the electric organ used in these sessions. We express our thanks to the organists, Mrs. Lorin Stine and Robert Eshelman for their services at the console.

We manifest our sincere thanks to the song leaders and to those who made contributions in song, either by solo or duet and the choirs in the rendition of soul stirring selections.

We express our gratitude to the women of the Northwest District of Miami Conference for their gift of the lovely communion set to be used at Camp Miami.

We register our deep appreciation for the inspiring messages given by all the speakers who appeared on the program of this conference, especially to Bishop G. E. Epp, D.D., LL.D., Bishop of Central Area of The Evangelical Church. We also wish to thank all of our conference officers for their comprehensive and carefully prepared reports.

We express our appreciation to Mrs. E. H. Hammon and Mrs. Elsie Creager for preparation of the Communion Elements and the altar flowers and decorations.

We thank the Dayton papers and other Valley Editions and Radio Stations for the splendid coverage given this annual session of Miami Conference.

We, in view of the disparagement of Sunday evening services, urge that every church in so far as is feasable, have Sunday evening

Conventions and Institutes

Under the leadership of Mr. Hubert Fellers, president, the Miami Conference Brotherhood held its annual meeting at Camp Miami, Monday, September 12, 1949. Nearly 250 men from all sections of the Conference were present. After electing officers for the new year, they listened to an address by Reverend Alexander of the Methodist Church at Versailles, Ohio.

Mrs. Luther Devers, Director of Children's Work, promoted a most successful "One Day Children's Workers Institute" in November. By request of the local church children's workers another such institute will be held this fall.

The Youth Director and his staff of Conference Youth Fellowship officers conducted a Youth Fellowship Rally at Camp Miami on Saturday, November 10. Here the Conference Young People elected their officers and received many helpful suggestions for the promoting of the total Youth Fellowship Program in their own local churches. Some type of Youth Meeting is in the program for this year.

Sunday, April 16, was the date of the second "Young Adult Convention" in Miami Conference. Here on these grounds some 175 young adults, under the leadership of Reverend Bragg, faced some of the opportunities and problems of the modern home. A panel, an inspirational address, and table fun composed the program.

Evangelism

In a separate report, Rev. H. C. Hahn, Conference Director of Evangelism, will review the achievements of our churches during the year in the all-important task of winning souls to Jesus Christ and His Church.

Work Among College and University Students

About two years ago the five E. U. B. Conferences of Ohio made possible better and more closely integrated work among the E. U. B. students in the colleges and universities of the state by the organization of the "Albright Otterbein Fellowship" at Ohio State University. A house, which now serves as the "Fellowship Center" and residence of the director, was dedicated in January, 1950, and is constantly in use. The headquarters of Rev. Tom Wedsworth, director, are now and will remain at Ohio State, but from this central point he will keep in intimate contact with all our E. U. B. students throughout the state. The management and operation of the "Fellowship' is under the direct supervision of a board of directors, composed of the Conference Superintendent and Director of Christian Education of each of the cooperating conferences, plus two resident pastors of Columbus. We anticipate a splendid future for this work.

Camp Miami

On May 1, Mr. and Mrs. Arvids Zumburs, displaced persons from Latvia, became the custodians at Camp Miami. Under the guidance of Walter Miranda, he has labored diligently at cleaning the camp buildings and beautifying the campus. During the camping season he gave assistance to both the kitchen staff and the teachers. We, of the Board feel we were fortunate to secure such fine folks and believe they will continue to make a unique contribution to our conference life.

We express our deep gratitude to the Sunday schools of Miami Conference for their splendid financial support of Camp Miami during the conference year. Nearly all the schools paid their quotas of 25c

per average attendant. Because of this support our debt has been reduced $3,000 and now stands at only $7,000. It is our purpose to further reduce the debt next year.

We also appreciate the interest revealed in those churches which support the several camps conducted by our board. This summer 54 churches sent a total of 647 campers to the seven conference camps. This is the largest number of churches ever to send campers to Miami Conference camps.

A word of commendation is due the several directors for their investment of time and skill in planning and conducting these camps, and to Rev. W. N. Miranda for the efficient manner in which he cared for the physical needs of each camp. The camp directors were: Mrs. Luther Devers, Mrs. Elmer Werner, Reverends Emerson Bragg, Robert Ryder, Demi Edwards, Milford Ater, William Messmer.

The board is anxious that the facilities of Camp Miami be available to all the churches of the conference, large or small, and with this as the ideal, the development is being planned. Improvements during this year include (1) rebuilding the porch roof; (2) screening of all dormitory windows; (3) providing of more class rooms; (4) making the camp grounds more attractive. Contemplated improvements for next year are: (1) erection of a fire escape for the south end of the dormitory; (2) repairing light fixtures in several dormitory rooms; (3) painting of dormitory rooms; (4) tarring the roof of the administration building; (5) development of Vesper Hill and the Camp Fire site.

As the camp continues to serve our conference a real need for some major additions and improvements becomes apparent. A few of these needs are: (1) arm chairs for all class rooms; (2) shelter houses at strategic sites on the campus; (3) a new drive way; (4) a swimming pool. These needs cannot all be met immediately, but they must be kept as future goals.

Recommendations

1. We recommend that the plan of financing Camp Miami be that used this year, namely: That each Sunday school be asked to contribute 25c per average attendant to Camp Miami for the conference year 1950-1951.
2. We recommend that the board be authorized to call upon the ministers and laymen of the conference for volunteer service on work days at Camp Miami.

Respectfully submitted,
RALPH W. TINSLEY, General Director

JOINT REPORT OF THE COMMISSION OF STEWARDSHIP AND EVANGELISM

Your commission wishes to offer the Pastors and Workers heartiest thanks and congratulations in the achieving of our goal of 2,500 members. The vast majority of the churches in our conference deserve great praise for the splendid endeavor during this conference year. We surpassed our goal and as was reported by the Conference Superintendent, we had a net gain of 940 members, and 1,550 conversions.

We wish to review the activities of our Commission during the past year. The Commission held three meetings during the year. We helped conduct a coaching conference at Camp Miami which was a rich experience and one that gave our leaders a fine perspective of the denominational program.

We conducted a very worthwhile Institute of Stewardship and Evangelism at Oak Street on Evangelism Sunday with several hundred members of our churches present. About 70 of our churches had representatives at the meeting. Materials including tracts to aid in Stewardship and Evangelism were given out. We prepared and distributed Wall Charts indicating Special Days and goals for receiving members. We vigorously promoted the membership drive and deeply appreciate the help given by our Superintendent, pastors and lay leaders.

Your secretary visited 17 churches personally for public meetings, conferences with leaders and pastors. Several members of Commission aided in this work also and gave some help in pulpit exchange. We provided charts and film strips for the various districts without cost to the districts, some materials were outright gifts, and others on a circulation basis to be returned to the Secretary. We sent out several hundred cards and other pieces of mail to achieve our aims.

In view of the splendid records of the past year, we offer the following recommendations with every confidence that with hard work and God's guidance, they can be achieved. Since our theme is "Forward Together in Christian Worship," we recommend:

1. That all special days of our denominational program be promoted with earnestness to the extent of inducing more people to worship.
2. That we set a goal of 2,500 new members for the year 1950-51.
   That we achieve a net gain of 1,000 members for the conference year.
   That we achieve a gain of 10% in average attendance at the morning worship.
   That we set a goal of 2,500 new members in the Sunday schools.
   That we achieve a gain of 10% in average attendance in Sunday school.
3. That we put the many available techniques in Stewardship and Evangelism to the best possible use in our churches but particularly emphasize the importance of Visitation Evangelism as the most successful implement to achieve our goals.
4. That we preach a Stewardship sermon at least once each month during the year.
5. That every church have a local commission of Evangelism and members' names and addresses be sent to Conference Commission.
6. That we conduct a series of District meetings in January (dates and places to be determined by Ministerial and Lay District leaders) for pastors and Sunday school superintendents to emphasize Sunday school membership and the effort to interest young men in our schools in the Christian ministry.
7. That our Annual Institute of Evangelism and Stewardship be held Sunday, February 11, at Euclid Avenue Church, 3-9 P. M.
8. That an After Easter Series of District meetings be held at the convenience of the Ministerial and Lay District Leaders for Pastors and members of Boards of Stewards to study materials and methods in church finance and Stewardship Visitation.

9. The Church Commissions in Stewardship and Evangelism in local churches be used to help plan and carry out an ongoing program in Stewardship and Evangelism in the local church.

Respectfully,
Commission of Stewardship and Evangelism

REPORT OF THE CONFERENCE BOARD OF MISSIONS

The Conference Board of Missions met three times during the year and approved the following projects in the conference:

1. The plan of the Springboro church to build Sunday school rooms and install a new heating plant at a cost of $12,000. The plan included the securing of a loan of $5,000 from the Franklin Bank.

2. The plan of the Liberty church to build an addition for Sunday school purposes at a cost of $38,000. The debt would be $12,000. At a later date the Executive Committee of the Mission Board recommended that the conference trustees give a special gift of $862 to the Liberty Church; the money to be applied on the interest of the debt created by a loan from the Third National Bank in Dayton, Ohio. The congregation was requested to make a strong effort to continue to pay through the year the required monthly payments of $175 on the loan.

3. The building of a new parsonage at Pyrmont at a cost of $9,000.

4. The purchase of a house by the Fairview congregation, the property to be free of debt.

5. The building of Sunday school rooms at Vandalia.

6. The plans to renovate and enlarge the former Baptist church at Fletcher, Ohio. The church is to become the permanent place of worship and the property of the newly organized Evangelical United Brethren congregation. The cost of the improvement is $28,000, and the debt is to be no more than $8,000.

7. The Executive Committee had approved the plans of the Miamisburg church to improve the church building, and the plans of the Clayton church to build an addition, and the plan of the Cheviot church to purchase properties adjacent to the present church building at a cost of $35,000.

The Mission Board at the last session of the year passed a resolution approving the action of the Executive Committee.

8. Temporary plans for new additions and improvements were presented to the Board by other churches in the conference. In such cases the building committees were requested to present the finished plans at a later meeting of the Mission Board.

9. The Board at the last meeting, August 30, 1950, passed a resolution recommending to the Conference Council that a gift of $500 be given to the Bevis church, $500 to Sulphur Grove, $500 to the Fletcher church, $500 to Hamilton First church, and the New Hope church in Preble Co., $200. The money to be taken from the Conference Mission Fund. That Vandalia be authorized to borrow up to $30,000 for the construction of a Religious Education addition.

10. On January 26, 1950, Dr. L. M. Hohn, because of pressing duties as superintendent of Otterbein Home, resigned as president of the Board and Rev. W. K. Messmer was elected president. Other members of the Mission Board are E. R. Turner, George Duckwall, Mrs. Harold Brown, and the conference trustees.

The trustees met in Dayton, Ohio, on September 29, 1949. Rev. W. K. Messmer was elected president of the Board. Dr. W. I. Underwood, vice president; Wendell Hohn, treasurer; H. G. Clark, secretary. The other members of the Board are Fred Lammers, C. A. Benzing, and Rev. Walter N. Miranda.

At the request of the Conference Mission Board the trustees examined the plans for the building of a new parsonage at Wagner Chapel. The cost of the parsonage was estimated to be $13,000. The plans were approved.

The St. Luke's Baptist Church having paid in full the mortgage note of $8,000 on the former Olivet church property requested the Board to make some donation of the interest still due on the note. The Board agreed by motion to donate one half of the interest. The donation amounted to $332.50.

REPORT OF THE RURAL LIFE COMMISSION

The Rural Life Commission submits the following report:

With the constantly increasing tendency of our population to seek the open spaces and relative freedom of the countryside, there is a steadily growing opportunity for many of our rural churches. This becomes a definite challenge for established churches to make real the gospel of Christian fellowship and friendliness; to win these families to a vital experience of friendship and faith. As a commission, we earnestly recommend that every church and pastor be urged to cooperate toward establishing these new-comers in a satisfactory and helpful Christian community life in the area where they now live.

The Commission is planning the annual Rural Life meeting to be held at Camp Miami on Wednesday, December 6, with morning and afternoon sessions. Further announcement regarding program, etc., will be in the Miami Messenger.

We wish to continue the practice of rural pastors' attendance at summer conferences and schools. The Commission is prepared to offer limited aid to make this possible.

During the past year, Howard James, of Philipsburg, spent five weeks at Garrett Biblical Institute, Evanston, Ill., and Charles Messmer two weeks at Union Theological Seminary in New York.

At the suggestion of our Conference Superintendent, the Commis-

sion plans to investigate possibilities of improvement in the work at Rosewood; Rossburg Circuit area; and the Greenbush, West Elkton, State Road area.

The Commission also is asked to unite with the other Ohio Conference Commissions in a second planning conference to be held at Otterbein College under the direction of our Denominational Commission on Town and Country on Feb. 18 and 19, 1951.

We wish to express our appreciation for the fine services being rendered by the State Council of Churches through its department on Town and Country Life.

The Commission wishes to commend to our rural churches, especially the booklet "Guidance in Program Planning" by Dr. B. H. Cain and the quarterly bulletin, "Our Church in Town and Country" which is available to every church.

We also wish to suggest that every rural church cooperate in promoting the CROP program when it is presented in its area.

Respectfully submitted,

REPORT OF THE WOMEN'S AUXILIARY OF BONEBRAKE SEMINARY, MIAMI CONFERENCE

Officers for the year 1949-50 are as follows:

President: Mrs. L. O. Shawen, 1937 Litchfield Ave., Dayton 6, Ohio, Telephone RA 1393.

Vice President: Mrs. Anna Greider, 515 Edgewood Ave., Apt. 18, Dayton 7, Ohio, Telephone FU 1403.

Secretary: Mrs. Effie Potts, 1327 Miami Chapel Road, Dayton 7, Ohio, Telephone HE 2817.

Treasurer: Mrs. James Miller, 2444 Pershing Drive, Dayton 9, Ohio, Telephone WA 3998.

We wish to bring to you the Seventeenth Annual report of the Women's Auxiliary of Bonebrake Seminary.

You will recall that last year all of our efforts were concentrated on the remodeling of the kitchen. This was completed at a total cost of $4,129. This year we are taking care of replacements; painting, redecorating, venetian blinds for the dining room, and other miscellaneous repairs, at a total not to exceed $2,000.

The disbursements of funds is the same as during the past seven years, namely: 50% for dormitory improvements; 35% for Library Equipment Fund; 15% for refrigeration and equipment fund. The library equipment fund now totals $11,379.59.

Dues are the same, 25c per person per year, or $5.00 for a group membership.

In our report of last September, 1949, we in Miami Conference ranked fifth of all the Conferences in the amount of funds and members, totaling $404. This year, September, 1950, we rank fourth with a total of $452, an increase of $48. Next year, we hope we can do still better.

We have tried to contact every church in the Conference to appoint a Key Worker. If you do not have such a person in your church, won't you please contact one of the officers of the Auxiliary; or your pastor. This key worker is the only contact we have with each church, so we need a woman who is vitally interested in the work we are promoting, and one who will make every effort to reach every woman in her church.

We are most grateful for those who do give their time and efforts, and we appreciate the fine contribution they have made.

We also wish to take this opportunity to thank President Roberts, the faculty, Mrs. Walter Roush, and the Areal Director, Mrs. Comrey, for their help and cooperation. It means a great deal to the officers of the Conference to know that we can call upon them for any advice and help.

May we keep constantly praying and working to make our Seminary an attractive and home-like place for our future pastors to live during their stay here.

Respectfully submitted,
EDNA SHAWEN, President
(Mrs. L. O. Shawen)

Report No. 22

REPORT ON OTTERBEIN COLLEGE TO THE ANNUAL CONFERENCE, 1950

During the school year 1949-50, Otterbein College enjoyed its most constructive period since the close of World War II. After several years of rapid expansion and hurried effort to meet the demands of the huge tidal wave of veterans which began in 1946, it was possible this year to give more attention to quality of campus program, academically, socially, spiritually.

There was a total enrollment of 944, of which 864 were in the four college classes, 575 men and 289 women. Ohio had 716 students, Pennsylvania 88, New York 52, West Virginia 13, New Jersey 11, Virginia 9, Michigan 8, Massachusetts 8, California 6, Indiana 5, and fewer numbers from 12 other states, and from Africa, the Philippine Islands, Switzerland, Guatemala and Japan.

Denominations represented were: Evangelical United Brethren 378, Methodist 181, Presbyterians 93, Lutheran 36, Baptist 28, and fewer numbers from 20 other denominations. There were 246 veterans compared with 331 last year, and 450 two years ago. This year's graduation class numbering 220 was the largest in the college's history.

The student enlistment staff was increased so as to enroll as many qualified freshmen as possible for the coming year. Two full-time men have been in the field since February visiting churches, high schools, summer camps, and homes of prospects. Five professors gave an equiv-

alent of two months service during the summer in an effort to follow up every possible prospect. We will be fortunate if we have 225 freshmen considering the fact that there are fewer students graduating from most high schools this year due to the low birthrate 18 years ago, and attractive wages in business and industry tempt many young people to remain out of college. Just what the Korean war will do to college enrollment is not yet clear.

There is a constant cry for financial aid on the part of students. In most cases the need is genuine. In some cases students shop around for financial aid and enroll where the monetary inducements are greatest. Last year more than $50,000 was spent by the college for scholarships and grants for work done on the campus. This is a considerable sum and the college needs gifts from interested friends to augment the funds available for student aid.

To pay for essential repairs and modest enlargement at the end of the war, $125,000 was borrowed of which $86,000 has been repaid, leaving a debt of $39,000. This is the only debt the college has. By frugality and careful management, and by cooperation on the part of the faculty and all administrative officers, there is no indebtedness whatsoever on current expenses. Salaries have been low and in many cases high schools outbid the college for good instructors. The current operating budget last year was $623,000. The last auditor's report indicated endowment and investments at $1,314,000; plant and campus value, $1,506,000; grand total assets $2,976,000.

Church colleges everywhere are experiencing difficulty in maintaining themselves in the face of keen competition from state supported schools which have the public purse at their disposal. It is significant that in the state of Ohio each man, woman and child in 1948 paid $2.80 through taxes for the support of state universities, while each church member in Otterbein College constituency paid seven cents for the college's support. The record in other states would be very similar.

A new chapel to seat 1,200 people is in process of construction. This building will cost $400,000 and the cost is being met by a gift from the late C. E. Cowan, an alumnus of Otterbein, and a business man of Greensburg, Pa.

In the academic field the past year, an honor society was established known as Torch and Key. For engineering students a cooperative plan has been arranged with Carnegie Institute of Technology, Pittsburgh, Pa. This is in harmony with other plans which have been in operation with graduate shools for students preparing for medicine, nursing and law.

A school is no better than its teachers. Always there is the matter of enlisting first-class instructors and helping them to improve in line of duty. It is the influence of Christian teachers which distinguishes a Christian college and differentiates it from a secular institution. It is an essential but exceedingly difficult task to find men and women who are interested in college teaching, adequately trained with at least a master's degree and preferably a doctor's degree, interested in the spiritual purposes of the college and actively affiliated with the church, who do not use alcoholic beverages, who are willing to conform to the college's limitations upon smoking, who are attractive in appearance and make a favorable impression upon the young people, cooperative with the administration and with their fellow teachers, who can take their places as constructive citizens of the community, and yet who are willing to work for the very modest salary offered.

Otterbein College is jealous of its reputation as a Christian college. There is a constant effort on the part of the Trustees to foster a school where spiritual values are pre-eminent. Forty-one (41) out of forty-seven (47) Trustees are active members of the EUB Church, and over half of the Trustees are ministers.

It is imperative for the future existence of the EUB Church that

its youth be given higher education in a school where Christian values are underscored, where a Christian philosophy of life is held as the ideal, where Christian teachers guide the pursuit of truth and where there are numerous opportunities for religious self-epression on the campus.

Otterbein College exists primarily to serve the youth of the EUB church. It is a school reflecting the will of the churches and church homes from which students enroll. Otterbein College is an arm of the EUB church helping young people to prepare themselves for Christian leadership in church, education, business, industry and state. Otterbein College solicits the loyalty, the support and the prayerful cooperation of its constituency.

Respectfully,

E. R. TURNER

Report No. 24

MY RETIREMENT . . . BISHOP A. R. CLIPPINGER

Members and friends of the Miami Conference, the one hundred and forty-first Annual Session, now assembled at Camp Miami, Germantown, Ohio. In the last forty years, during which time I have been among you as one who serves, I have addressed you along many lines and have spoken from many themes. The theme of this brief discourse will be quite different from any that has preceded it. My public ministry and official administrative work is now rapidly coming to a close.

This week forty years ago Brother E. R. Turner and I came to Dayton from the east on the same train, he to pursue a Theological course in Bonebrake Seminary and I to take up my pastorate in the old Summit Street Church. To become pastor of the so-called Seminary Church was a great challenge for me. I was painfully conscious of the fact that many critical eyes were turned toward me, all the way from members of the Board of Bishops down to the student body in the Seminary. Many folks wondered just how this recent graduate from Yale Theology would act in this new environment, moreover I was only thirty-two years of age. It should be said however, that I had had, all told five years' experience as a pastor. I was not exactly a neophyte, but there was yet much more for me to learn. I was timid but determined. I was ambitious but careful. I preached my first sermon Sunday morning, September 18 from this text, John 14:8. "Shew us the Father and It Sufficeth Us."

The new church was dedicated May 26, 1912 by Bishop Weekley, costing approximately $75,000.00. Membership at that time was 569.

I was ordained January 1, 1911, by Bishop Weekley in the Summit Street church in the presence of my people.

Upon the death of Supt. C. W. Kurtz in 1918, just a few weeks before Conference, Bishop Matthews asked me to prepare the report of the Conference Superintendent. I was then elected Conference Superintendent which office I held for three years. The Superintendency has some pleasant features but I cannot say that I really enjoyed the work and had fully expected to ask for a pastorate at the Annual session, 1921. The General Conference met in Indianapolis that year in May and

elected me Bishop and assigned me to the Central District, which position and field of labor I have held ever since.

According to the rules and regulations of our denomination I have now reached the age of retirement. One week ago last Sunday I celebrated my seventy-second birthday. The calendar year closes this quadrennium and if I live until January 1, 1951 I will have served as Bishop thirty years, lacking five months. Only Bishop Glossbrenner served a longer period of time.

I come to the end of my administrative work with a mingled feeling of gladness and sadness. I will be glad to lay aside responsibility and a heavy schedule of engagements. Difficult decisions naturally wear on one's mind. I shall miss the close fellowship I have had all these years with brethren, both lay and ministerial throughout the Central District. That fellowship was sweet and there have been many strong ties of friendship.

We are told that all good things must come to an end. I now ask that this Annual Conference grant me retired relations, beginning with January 1, 1951 with such emoluments as I may be entitled to as a long time member of the Conference.

My only regret is that I have not been able to do more for you and the Church. My church and especially this Conference has been very good to me. Had it not been for the intercession of the delegates to the General Conference at Indianapolis, I would not have been assigned to this coveted Central District, large in membership but small in circumference.

While I will lay aside responsibility and the more strenuous work, I shall never cease to be interested in your success. At a throne of Grace I will remember you in my prayers. To learn of your victories will bring joy and happiness to my heart. May the Lord bless you and prosper you in every good work. I hereby submit my record and my request to the Committee on Conference Relations.

Faithfully and sincerely your servant,

A. R. CLIPPINGER, Bishop

REPORT OF STATISTICIAN

Since this year marks the closing of the first half of this century, perhaps some observations and comparisons with a decade ago would be of interest.

Our church membership ten years ago was 27,240. The gain in membership was 4,671. This year's gain of 940 was not only the largest for this period; it is nearly one-fifth of the ten year gain, and more than twice the average yearly gain of 467. The net gain for last year, 1948-1949, was 253. Ten years ago it was 281.

The gain in average attendance at Morning Worship is, perhaps, a better barometer than the gain in membership. The ten year gain in average attendance is 2,710, or 28%. The gain in membership was 17%. Similarly, this year's Sunday school enrollment of 25,352 is 1,549 above ten years ago, a gain of 6%. Average attendance in Sunday school is 993 above ten years ago, a gain of 9%.

While the great difference in the value of the dollar makes any comparisons unrealistic, nevertheless these are of interest. Total for Missions and Benevolence ten years ago was $68,334; this year, $150,442. Total Local Expenditures ten years ago was $320,016; this year, $1,072,888, or net after deductions, $876,668. Total for All Purposes, ten years ago was $390,360; this year, $1,027,110. Per Capita giving ten years ago was $2.45 for Benevolences and $14.00 for all purposes; this year, $4.65 and $31.75 respectively.

W. S. W. S. GREETINGS

Bishop Clippinger, Members of Miami Conference, and Christian Friends:

I am glad to be a member of the Miami Branch W. S. W. S. and bring Greetings from over 4,000 women and girls of this organization of our church.

We are indeed grateful and do appreciate the cooperation of the ministers and layman throughout the years, and we do covet your continued support as we endeavor this year to carry out our missionary program through the theme, "We Press On In a Fellowship of Prayer and Thanksgiving."

There is a great need of a closer Christian Fellowship between all organizations of the church for again today our nation is in a perilous conflict. This condition in the world presents to each of us a challenge to promote more strenuously than ever before our missionary program here at home to help Christianize America, so we may be better fitted to help people of other lands.

Confronted with so great a task where should we begin?

"It is hard enough to make one Christian,
Harder still to make a Christian Church,
To make a Christian Nation is a task to stagger the imagination;
To make a Christian World may seem almost impossible,
Yet, this is the goal which our religion sets for us."

These words of William Adams Brown suggests to us that the logical place to begin is with the individual, and it seems to follow that the first individual who should claim our attention is self. As we seek to be truly Christian we will discover that Christianity is no purely private affair. It does reach down in a man's soul like nothing else, but it never stops there. We become Channels for the Power to flow into the lives of other individuals.

It is hard for us to realize but it is nevertheless true if you and I are truly Christian we are helping to make the Church more Christian.

Someone has asked, "Isn't the trouble with the church the fact that people witihn the church are not Christian enough. Perhaps here lies the heart of much of our weakness.

It is with greater difficulty for us to realize the fact that it truly makes a difference in our nation, if you and I are truly Christian.

A real Christian is the best citizen. He registers his own convictions where they count and helps to mould public opinion in favor of right legislation. A Christian nation or a Christian world seems far removed from you and me as individual Christians yet, again and again we hear it said that a truly abiding peace will come only as Christ becomes enthroned in the hearts and lives of people everywhere.

With these thoughts of the challenging task set us by Christ, with thankfulness in our hearts for the many privileges, opportunities, and blessings of our nation and prayer for guidance in ways which we can become more effective channels for His Power to work in the lives of other individuals, the church, the nation, and the world,

We, the W. S. W. S., pledge our loyal support to the whole program of the church in making Christ known and loved around the world.

STANDING RESOLUTIONS

In Regard to Missionary Appropriation

Resolved, That the missionary money appropriated to the different missions in this conference be paid monthly, and that no part be paid except by order of the conference superintendent, and if in the judgment of the quarterly conference the missionary fails to faithfully perform his work it shall be in the power of the next conference, upon the recommendation of the conference superintendent, to withhold any part of the amount appropriated by this conference. (Adopted 1875.)

In Regard to Reading Course Examinations

Resolved, That the examination in Course of Study shall hereafter be conducted in writing. (Adopted 1882.)

In Regard to Conference Claimants
In Regard to Mission Charges

Resolved, That the amount received as a missionary appropriation by mission charges is to be added to the amount of salary received on the charge, and be so reported to the conference chart. (Adopted 1890.)

In Regard to Appropriation from Preachers' Aid Fund

Resolved, That no preacher shall be entitled to an appropriation from the Preachers' Aid Fund until voted to a "Superannuated Itinerant" relation by the annual conference. All preachers and preachers' widows, deserving aid from this fund, shall make application to the Conference Finance Committee on the blank authorized by the conference, this blank to be signed by the chairman and secretary of the quarterly conference of which the applicant is a member. Blanks shall be furnished applicants by the conference superintendent. The conference finance committee shall then consider each case on its own merits. (Adopted 1922.)

In Regard to Letters of Introduction of Removed Members

Resolved, That the conference superintendent require all pastors to follow the non-resident members removing from their parishes with letters (not of membership but of introduction), to the nearest pastor so that we shall be able to conserve them to our beloved Zion for Kingdom building. (Adopted in 1930.)

In Regard to Plan of Conducting the Reading Course

It is hereby recommended that the Miami Conference adopt the following plan of conducting the reading course examinations and the passing of probationers, namely:

(a) That a Board of Ministerial Training of five (5) members be named, said Board to be organized as one Board with a chairman and standing secretary, the secretary to keep the permanent record as authorized by the Discipline, Chapter XIX, Section II, ¶2040, page 415.

(b) That examinations in each year's course be delegated by the chairman to members of the Board as agreed upon by the Board.

(c) That the passing of each probationer be acted upon by the entire Board, the Board to meet during the sessions of the conference at stated times to consider the character and standing of each person pursuing the reading course.

(d) That examinations be conducted at any time during the conference year according to such plans as agreed upon by the Board. (Adopted in 1930, revised according to action of conference in 1942.)

(e) That the Board of Ministerial Training be elected for a term of four years. (Adopted 1933.)

In Regard to the Christian Sabbath

Whereas, various county fairs and the Ohio State Junior Fair have been open on Sunday, automobile races, horse pulling contests and other sporting events are being continually scheduled and held on Sunday; and this commercial use of the Christian Sabbath interferes with habits of worship and tends to destroy the religious value of the day.

Be it resolved, That we register our protest against such use of the

Lord's Day and call upon our people and all other Christians to use their influence against such use of the Sabbath and have no part in sports and events held on this sacred day. (Adopted 1937.)

In Regard to Selection of Place for the Annual Conference Session

Resolved, That the invitation from the churches to entertain the next annual conference session should be given on Tuesday afternoon and the names of the churches placed on the first conference ballot. If no church receives a majority of the votes cast, the two receiving the largest number of votes on the first ballot be placed on the second ballot and the one receiving the largest number of votes be selected. (Adopted 1938.)

In Regard to the Historical Committee

Whereas, our method of electing the Historical Committee in the past has given the committee and the conference no assurance of continuity or permanency either in its work or its records,

Therefore, be it resolved, that the three persons who are elected in today's election, the one receiving the highest number of votes be elected for a term of three years, the second highest for two years, and third highest for one year. That, hereafter, one person be elected each year for a term of three years. (Adopted 1939.)

In Regard to the Personnel of the Board of Publication

Be it resolved that the committee charged with the publication of the Miami Messenger be composed of the conference superintendent, conference recording secretary, president of the Conference Board of Christian Education and two additional members chosen by ballot. (Adopted 1939.)

In Regard to Historical Papers

We recommend to the Conference Board of Trustees that they provide a suitable place, preferably in the Conference Manse, for the safe keeping of materials of historical value that are or may come into possession of the conference, and that the conference superintendent be the custodian of these archives. (Adopted 1940.)

In Regard to the Years of Service for the Commission on Evangelism

It is the sense of this body that the Conference Commission on Evangelism consist of five members with a term of five years, one member to be elected each year.

That this year the one receiving the highest number of votes be elected for five years; the next highest vote be for four years; and so forth.

That it be marked thus on the conference ballot. (Adopted 1945.)

THE FOLLOWING RESOLUTIONS APPEAR IN THE 1927 MINUTES AS STANDING RESOLUTIONS BUT NO DATE OF PASSING NOTED

1. That hereafter no appropriations be made by the Conference Board of Trustees or the Finance Committee beyond the income on hand or definitely provided for.
2. That no church in the conference shall contract any considerable debt for a new or remodeled building without first consulting the Conference Board of Missions.
3. That no debt shall be larger than the local church can in the judgment of the Conference Board of Missions pay off within a reasonable time.

It is recommended that pledges on debts or building funds be taken on a yearly basis.
